Fraterrity

Change is the one thing in life that brings about all joy and all sorrow. Men are continually making changes, in homes, that they may better their condition, but it does not always turn out as they desire.

However that does not alter the case, as we are still willing to take risks, because we see others making a success by changing.

There is but one change that all true men can make that have not already made it; that is to change from a non fraternal state to a fraternal one.

Fraternity is everything. It exibits highest and noblest character in man. It places him in a condition not only to be helped but to help. It is a greater thing to do something for a friend than to have a friend do something for you. "It is more blessed to give than to receive".

March 30, 1907.

The Whip-poor-will club met at the home of Miss Fern Stoner this afternoon. The forepart of the meeting was spent in social chats while several members rendered music. The business meeting was called to order by our new president Mrs Mattie Stoner, later the roll was called and found that fifteen members were present. The committe consisting of Mabel Zeller, and myself reported to the club in regard to the pins; it was thought best to wait a few weeks or until we could get samples catalogues etc.

Our president presented to us that we ought to be up and doing something, which everyone sanctioned in her heart. It was moved and carried that we do away with the so called feasts at our business meetings, on special occasions it was thought to be all right, but from now on by the vote of the club, the hostess cannot serve more than four articles, this is including the drinks; the latter term meaning no intoxicant. Any member who breaks, vio-

rule must pay the penalty prescribed by the others. A fine of five cents was thought of, but this was put down as to "chase" so the matter was left unsettled.

It was decided that some time or when the girls saw fits, we would hold a bazar, prior to this we will make various articles for the same. At the next meeting we will begin our work on linen bought by the club and the meeting will be held in three weeks if satisfactory, at Mrs Rose Young's April 20 1907. Meeting adjourned.

Sec. S. Edna Meyers.

May 4 1907.

The girls met at the cozy home of Mrs Mattie Stoners instead of Rose Young's, where for several hours the girls engaged in sewing for the coming bazar. Later meeting was called to order by the president, roll call followed, and which was responded to by fifteen members; the treasurer was gone her report. A committe was chosen

consisting of Mrs Rose Young, Mrs Ogle Zeller and Maud Myers to oversee the coming bazar, in regard to the material and setting a price thereon.

It was suggested by Mrs. Ball that fruit and fancy jelly should be included for the bazar, also cakes, and have a candy booth. It was decided that the girls get what material they needed, and then the club would pay them for the same, also the girls or outsiders can donate what they care to.

It was the suggestion of several that we talk up the matter fully in regard to what we will do with the proceeds, as it will seem to have more effect upon the community if they know what our intention is.

The matter regarding the fine will be taken up at our next meeting which will be held at the home of Mrs Rose Young May 25, 1907.

On motion meeting adjourned.

In the midst of our refreshments, we thought of an absent member which was Cora Myers, who is soon to become a bride on May 15th. After talking and suggestions it was decided to give

Preston Rose's Cora a shower on Tuesday evening May 7, 1907, and instead of giving her a variety of things, it was thought to give her all together a piece of furniture. Mrs Ball & Maud Myers were appointed by the president to select the same. The club is to furnish oranges and the girls are to make fudges and the boys are to go and share in the fun. Mary Myers and Tierra Stoner were to recall members not present

August 31-1907. The Club met at the home of Mabel Zeller, 13 members were present. Meeting called to order by the President, the committe reported on the pins and all girls who wish pins are to give their names To Mabel Zeller, who is to order the pins at 50¢ each
